WHAT TO EXPECT

Servant Leadership Community of Practice conversations are opportunities for any and all leaders to gather together and learn from each other. Conversations are monthly, via Zoom, on the 4th Tuesday from 11:30AM - 12:30PM.

Participants can expect to learn about best practices and resources, share success stories, and explore questions, challenges, and opportunities while engaging in meaningful conversations with peers and facilitators.

HOW TO PARTICIPATE

- Respectfully engage with others: Listen first, ask questions to clarify, and allow everyone to speak.
- Use your voice: Share your own experiences and ask questions of others in humility.
- Be Wonder-filled. Invite curiosity, challenge individual assumptions, and be open to learning.
- Adopt a growth mindset: Be a person of thought and reflective action.
- Build a learning community: Keep cameras on, stay on topic, and use Chat to support learning.
