

# Leading with Values

- |                |                     |                      |                 |
|----------------|---------------------|----------------------|-----------------|
| Accountability | Fairness            | Leadership           | Simplicity      |
| Achievement    | Faith               | Learning             | Spirituality    |
| Adaptability   | Family              | Legacy               | Sportsmanship   |
| Adventure      | Financial stability | Leisure              | Stewardship     |
| Altruism       | Forgiveness         | Love                 | Success         |
| Ambition       | Freedom             | Loyalty              | Teamwork        |
| Authenticity   | Friendship          | Making a difference  | Thrift          |
| Balance        | Fun                 | Nature               | Time            |
| Beauty         | Future generations  | Openness             | Tradition       |
| Being the best | Generosity          | Optimism             | Travel          |
| Belonging      | Giving back         | Order                | Trust           |
| Career         | Grace               | Parenting            | Truth           |
| Caring         | Gratitude           | Patience             | Understanding   |
| Collaboration  | Growth              | Patriotism           | Uniqueness      |
| Commitment     | Harmony             | Peace                | Usefulness      |
| Community      | Health              | Perseverance         | Vision          |
| Compassion     | Home                | Personal fulfillment | Vulnerability   |
| Competence     | Honesty             | Power                | Wealth          |
| Confidence     | Hope                | Pride                | Well-being      |
| Connection     | Humility            | Recognition          | Whole-          |
| Contentment    | Humor               | Reliability          | heartedness     |
| Contribution   | Inclusion           | Resourcefulness      | Wisdom          |
| Cooperation    | Independence        | Respect              |                 |
| Courage        | Initiative          | Responsibility       | Write your own: |
| Creativity     | Integrity           | Risk-taking          | -----           |
| Curiosity      | Intuition           | Safety               | -----           |
| Dignity        | Job security        | Security             | -----           |
| Diversity      | Joy                 | Self-discipline      | -----           |
| Environment    | Justice             | Self-expression      | -----           |
| Efficiency     | Kindness            | Self-respect         | -----           |
| Equality       | Knowledge           | Serenity             | -----           |
| Ethics         |                     | Service              | -----           |
| Excellence     |                     |                      | -----           |

# My Top 5 Values

Review list of values. Write your own if the list does not include a value that is important to you. Begin selecting values that are important to you. Continue narrowing down your values list until you get to your top 5.

After you select your top 5, write a succinct definition of what that value means to you.

Value	Definition of Value My Behaviors & My Expectations (of Others)
1. _____:	_____
B:	E: _____
2. _____:	_____
B:	E: _____
3. _____:	_____
B:	E: _____
4. _____:	_____
B:	E: _____
5. _____:	_____
B:	E: _____
